

SPEAKER: The chair recognizes Senator Warner.

SENATOR WARNER: Mr. President, I move the adoption of the amendment. What this amendment does, it is complimentary to the Carpenter amendment that was placed on 530. As Senator Burbach pointed out, the current law the County Board grants an exempt status to property, it remains that way for four years and they cannot reconsider it unless there is a change in the use of the property. This is only permissive that a County Board could review it if they wish to more frequently than the four year period and I would assume that if some of these items are published that some of these debts..the County Boards may want to reconsider what they had..the action they had originally taken. It is purely a permissive type of an amendment that would allow the County Boards then to review annually if they chose to.

SPEAKER: Any further discussion? The question has been called for. If you care to close, Senator Warner. No closing. Those in favor vote aye. Those opposed vote nay. Senator Whitney voting aye. Have you all voted? The clerk will record.

CLERK: 28 ayes, 0 nays, Mr. President.

SPEAKER: The amendment carries. It is adopted. Any further amendments, Clerk?

CLERK: Yes.

SPEAKER: Please read.

CLERK: The next amendment, Mr. President, is offered by Senator Carpenter. I don't believe this amendment is in the Journal. SENATOR CARPENTER: On another bill, yes.

CLERK: That's all the amendments, Mr. President.

SPEAKER: Senator Carpenter has asked unanimous consent to withdraw his amendment. So, is there any opposition to withdrawal. If not, so ordered.

SENATOR CARPENTER: I move that LB 114 be advanced to E & R for engrossing.

SPEAKER: Those in favor of advancing LB 114 say aye. Those opposed say no. LB 114 is advanced. Senator Schmit, for what purpose do you rise?

CLERK: Mr. President, I have some Committee reports that we need to get in. Your Committee on Enrollment and Review reports--read.

SPEAKER: Senator Carpenter. Just a minute, Senator Carpenter. Senator Schmit. I recognized him a moment ago.

SENATOR SCHMIT: Mr. President and members of the Legislature, the...

SPEAKER: Senator Schmit, I understand you want to take up another motion. Can we advance these three bills first...

SENATOR SCHMIT: Yes, please.

SPEAKER: Senator Carpenter, for what purpose do you rise.

SENATOR CARPENTER: There is another motion on the clerk's
